

## **Trinity Bromley United Reformed Church**

agrees that children, young people and adults have a right to live in a way that does not cause them harm or impede their human rights. We therefore acknowledge their right to protection from abuse regardless of gender, ethnicity, disability, sexuality or beliefs. We consider that, in accordance with legislation, the welfare of children is paramount. We will follow legislation, statutory guidance and recognised good practice.

Safeguarding is taken seriously by all at Trinity Bromley United Reformed Church.

We will organise activities in such a way as to promote a safe environment and minimise the risk of harm to children and adults.

We will follow a “safer” selection process for the appointment of people to work with children or adults.

We are committed to supporting, resourcing and training those who work with children and adults.

All concerns and allegations of abuse will be responded to appropriately, including referring to the Police and Social Care if necessary, either Adult or Children’s.

We will co-operate with the Police, Children’s and Adult’s Services in any investigation, will follow multi agency decisions and will maintain confidentiality of any investigations to those directly involved.
